Day 1: Toshari Lodge (Etosha Gateway), Etosha South

Located in southwestern Africa, Namibia boasts a well-developed infrastructure, some of the best tourist facilities in Africa, and an impressive list of breathtaking natural wonders. Visitors can explore the capital of Windhoek and discover the lovely coastal town of Swakopmund boasting remnants of the country's German influence, reflected in the architecture, culture, cuisine and the annual Oktoberfest celebrations. To properly appreciate this extraordinary country, you will have to venture out of the cities to explore the remarkable natural landscapes Namibia has to offer. These include: the impressive Fish River Canyon; the vast Etosha National Park teeming with abundant wildlife, such as lions, desert-adapted elephants and the Hartmann's Mountain Zebra; the hauntingly beautiful Kalahari Desert; and of course the Namib Desert stretching for over 2000 km along the magnificent Atlantic Coast. Namibia is an ideal destination for travellers seeking an unforgettable African experience in a uniquely beautiful untamed wilderness.

Located just south of the boundary of Etosha National Park in northwestern Namibia, Etosha South makes up the southern region of this wild paradise. The area is comprised of a collection of world class private game reserves. The national park can be accessed via the southern entrance at Andersson's Gate. Visitors can catch a glimpse of a variety of wildlife including: lion, giraffe, elephant, white and black rhino, and a multitude of plains game. Popular activities include: enjoying an open 4x4 safari with an expert guide, half day or full day drives with the option of a picnic lunch with wine on the full day game drive.

Activities

Lunch	Okahandja Craft Market - South
Afternoon	Etosha Game Drive

Okahandja Craft Market - South

This craft market is Okahandja's best known tourist attraction. Woodcarvers from all over, and as far as the Kavango Region of north-eastern Namibia, who practice their ancient skills come here to sell their goods. Since wood is not resistant to the wear and tear of time, wood sculptures survive less well than other forms of art and are therefore an important hidden element in the art history of many cultures. The wood-and-thatch market is situated next to the main road at the town's entrance and exit. Choose from a wide variety of hand-carved wooden artifacts such as animals, bowls or jewelry boxes.

Etosha Game Drive

Game drive through Etosha National Park searching for predators, plains game, reptiles & birds.

Game drives are conducted in custom built safari vehicles with a pop-up roof and large opening windows to maximize photographic opportunities.

Depending on the time of year, these game drives take many different routes, but most often focus around the waterholes where you are most likely to see a variety of wildlife taking the chance to get a drink and swim.

Day 2: Toshari Lodge (Etosha Gateway), Etosha South

Day Itinerary

After Breakfast; Embark on an Extraordinary Etosha National Park Adventure - Where Wildlife Roams Free.

Enter a world where wildlife roams free, and nature reigns supreme. In Etosha, you'll have the opportunity to witness Africa's iconic animals up close - from mighty elephants and graceful giraffes to regal lions and elusive leopards. Keep your camera ready as you capture these magnificent creatures in their natural habitat.

Etosha is dotted with numerous waterholes that serve as natural oases in the vast wilderness. Sit quietly at the water's edge, and be rewarded with the sight of a fascinating array of animals quenching their thirst - a spectacle you won't want to miss.

Etosha's diverse landscapes are a photographer's dream. From shimmering salt pans that stretch as far as the eye can see to vast grasslands and mopane woodlands, each corner of the park offers breathtaking vistas that evoke a sense of awe. Etosha is a haven for bird enthusiasts, with over 340 bird species gracing its skies. From striking raptors to vibrant flamingos and elegant ostriches, the park's avian diversity promises an unforgettable birdwatching experience.

Our experienced guides will lead you on thrilling game drives, sharing their wealth of knowledge about the wildlife, plant life, and the delicate ecosystems that make Etosha so extraordinary.

We offer you time to observe the animals! If you happen to be a photo enthusiast, bring along your equipment and patience to capture the unusual encounters of wildlife. You will be able to observe the groups of springboks, zebras, etc., but also the rarer species such as the black-faced impala (endemic to Namibia) or the dik-diks, the smallest African antelope. The interaction between the animals around the waterholes is often very magical in the Etosha, where you might just come across the path of a leopard or a group of lionesses hunting!

After a lunch break, it is in the animal park of Etosha that we will continue our day. You will discover abundant wildlife that you can observe on the "pan" or around the many water points of the reserve. Your guide will give you information on the species encountered.

You will take on the animal safari with your guide in your own vehicle around the park. Etosha was established in 1907, Etosha is home to 114 mammal species and more than 340 bird species.

This park is one of the largest game reserves in the world. Take full advantage of this moment to make sure that you make the most out of this safari and do not forget your binoculars too long: we never tire of scanning the horizon for having flushed a cat under an acacia or a troop of elephants strolling nonchalantly through the huge Salt Lake that gave his name at the park.
