## Day 1: Oppi-Koppi Restcamp, Kamanjab

Located in southwestern Africa, Namibia boasts a well-developed infrastructure, some of the best tourist facilities in Africa, and an impressive list of breathtaking natural wonders. Visitors can explore the capital of Windhoek and discover the lovely coastal town of Swakopmund boasting remnants of the country's German influence, reflected in the architecture, culture, cuisine and the annual Oktoberfest celebrations. To properly appreciate this extraordinary country, you will have to venture out of the cities to explore the remarkable natural landscapes Namibia has to offer. These include: the impressive Fish River Canyon; the vast Etosha National Park teeming with abundant wildlife, such as lions, desert-adapted elephants and the Hartmann's Mountain Zebra; the hauntingly beautiful Kalahari Desert; and of course the Namib Desert stretching for over 2000 km along the magnificent Atlantic Coast. Namibia is an ideal destination for travellers seeking an unforgettable African experience in a uniquely beautiful untamed wilderness.

Fringing the western edge of Etosha, Kamanjab is situated in the Kunene Region. It serves as an excellent base for visitors looking for adventure in the surrounding area. It is home to Peet Alberts Rock Engravings the second largest rock art site in Namibia with over 1,200 and 1,500 rock engravings featuring animal and abstract images. Visitors can look forward to an array of activities including a chance to meet the Himbas in Kaokoland and opportunities to see the desert elephants.

### **Activities**

Okahandja Craft Market - South

#### ***Okahandja Craft Market - South***

This craft market is Okahandja's best known tourist attraction. Woodcarvers from all over, and as far as the Kavango Region of north-eastern Namibia, who practice their ancient skills come here to sell their goods. Since wood is not resistant to the wear and tear of time, wood sculptures survive less well than other forms of art and are therefore an important hidden element in the art history of many cultures. The wood-and-thatch market is situated next to the main road at the town's entrance and exit. Choose from a wide variety of hand-carved wooden artifacts such as animals, bowls or jewelry boxes.
